Comments:

I loved this workshop. I am walking away with great ideas. This workshop should be repeated.

2. What aspects of this workshop did you find most helpful?

Anjana's open style and professionalism plus all the specific examples to actual application. Presentation and new resources. The topic. The information she read.

3. What aspects of this workshop, if any, would you like to see expanded?

More examples from online images. Open acces beyond special collections. I would like to see more examples.

4. What aspects of this workshop, if any, would you like to see shortened?

Do not shorten at all.

5. Are there other workshops SWFLN should offer that you would like to attend?

How to repair books. This would be great for volunteers who do book repair.
